

Roseville Public Library
Income Tax Resources
Tax Year 2015

As a service to our patrons, the Roseville Public Library provides a limited supply of selected federal and state tax forms and instructions. We do not carry city forms. The library also provides reproducible copies of federal and state tax forms that you can photocopy (single-sided only) for twenty cents per page.

While library employees cannot answer questions regarding the preparation of your taxes, they can assist you in locating forms.
